Cavalcade of Authors is 501(c)(3) organization: 47-1276817

Our Mission: The Cavalcade of Authors West (COA West) is dedicated to providing the secondary students of our region access to some of the best Young Adult authors of our modern era. Our special interest is to celebrate Pacific Northwest Authors while promoting reading and writing within our community. We provide participants with an authentic writing conference experience where students learn from the ultimate mentors: the authors of the books they are reading. We work in conjunction with the sister organization located in the Tri-Cities area of Washington called Cavalcade of Authors.
